

BELLUNA

BY welonda

FOCUS ON BELLUNA AS A WHOLE

Belluna furniture, with its well-known Chair, Wash and Relax variants, is characterised by rounded contours and is powerful in its simplicity. The extended mirror of the new Belluna Style gives the styling unit a refreshing look which is perfectly in keeping with the new Belluna Element wall unit. We are proud to introduce the Belluna Meet reception desk, which will introduce your customers to Belluna's powerful designs as soon as they enter your salon.

Belluna products are individual eye-catchers in any room, but are also in perfect harmony with all other units. Be inspired by the photos and lose yourself in the world of Belluna.

ROMANTIC VINTAGE

SHERRY

Tranquil and modern, with a touch of romance. An atmosphere where your customers will immediately feel at home. You can create a warm and welcoming meeting place in your salon by combining white Belluna furniture with 'Marmor Carrara' stone effects, contrasting green walls and 'Sherry'-tinted upholstery. The silver side panels of the Belluna Wash with footrest, and the stainless steel Disc-Base of the Belluna Chair, form a stunning whole with veins in the marble surface. This helps to create a sense of tranquillity, despite the daring use of colours.

WINTER SUNSET

The sun sinks slowly behind the horizon, where blue light makes way for a stunning array of colours ranging from violet to orange. Nature then paints its contours in black against the soft tints of the background.

If you have metal window frames, they can be perfectly combined with metallic black Belluna furniture, deep purple 'Amethyst' upholstery and a 'Sanga Wenge Natur' wood finish. Black has also been incorporated into the side panels of the Belluna Wash with electric leg section and the base of the Belluna Chair. The welcoming feel and mystic atmosphere in this sleek interior has been created by incorporating LED lighting into the furniture and adding details in a warm orange colour.

MIDNIGHT MARINE

Robust and soft like the contrast between deep-blue water and sunlight, which almost turns pink in this cool atmosphere.

It is a bold move to place white Belluna furniture, with light 'Bull Bahama Beige' upholstery, in dark surroundings. The balance between product and surroundings has been created via the 'Dunkelblau' decor of Belluna furniture and the black side panels of the Belluna Relax. The Belluna Chair with stainless steel Disc-Base completes this sleek, modern interior!

OVERALL GREEN

Surroundings where imaginations run wild and creative new ideas are born.

Furniture in this inspirational space, which is based on a 'nature' theme, is silver with a 'Dunkelblau' wooden decor. The various colours in the upholstery refer to the versatility of nature and its countless hues. The Belluna Chair has been upholstered in 'Limone' and really stands out thanks to its black base. The photo on the wall and the Belluna Relax in 'Petrol' also catch the eye, while the silver frame and side panels help to place emphasis on the lounge and the surroundings. An inviting place to relax and recharge your batteries.

ANTHRAZIT

The tranquil and neutral look has been created by the silver frame of the furniture, the dark grey 'Buffalo Anthrazit' upholstery, an aluminium base and the wooden details of the 'Sonoma Eiche Trüffel'. LED lighting and the contrasting yellow give the space a surprisingly warm atmosphere and make your salon a place where people forget their worries and experience positive energy. The Belluna Wash with adjustable footrest has been placed in a separate area to enhance the feeling of ultimate relaxation.

BELLUNA MEET

This completely new desk has a thin, flat and elegant top, which offers sales space while also maintaining openness for effective communication with customers.

The Belluna Meet is available with two or three cabinets of your choice, which feature a deep, unique Belluna design handle as standard. The metal structure of the Belluna Meet is available in the colours satin gloss white, silver and metallic black. The plinth, worktop and cabinets feature the same decor, which can be selected from the range of 'Welonda Laminates'. The Belluna Meet is available with or without elegant LED lighting. A monitor screen is also possible.

BELLUNA STYLE

The highlight of your salon. The mirror and integrated footrest are flanked by a metal frame, which is available in satin gloss white, silver and metallic black. LED lighting helps to shed soft light on the space between frame and mirror. The Belluna Style is also available without lighting and can be combined with a separate hairdryer-holder from the Welonda hairdryer-holder range.

BELLUNA ELEMENT

The elegant Belluna Element is a practical wall-mounted storage unit. When combined with the Belluna Style, it creates a stunning whole that frees up extra floor space. The metal frame is available in satin gloss white, silver or metallic black and can be supplied with either one or two soft-closing drawers. The colour of the draw fronts is optional and can be selected from the range of 'Welonda Laminates'. The drawer features the deep Belluna design handle as standard. Just like the Style, the Belluna Element is also available with or without LED lighting.

BELLUNA CHAIR

The unique Belluna Chair is available in colours from the 'Welonda Fabrics' collection. The Belluna Chair can be supplied with various bases: X-Base, X-Base black, Disc-Base Ø 480 mm, Disc-Base 450 mm or Fix-Base; always in combination with a hydraulic lockable pump. The beautifully curved metal armrest features arm cushions for extra comfort. If necessary, the Belluna Chair can also be supplied with a fixed footrest. An accompanying protective cover is also available to offer the chair effective protection.

X-BASE

Aluminium star base on five sliders. Hydraulic lockable pump with chrome plated housing.

X-BASE BLACK

Aluminium star base with black powder coating on five sliders. Hydraulic lockable pump with black housing.

DISC-BASE

Stainless steel disc with a diameter of 480 mm. Hydraulic lockable pump with stainless steel housing.

DISC-BASE

Stainless steel disc, 450 mm square. Hydraulic lockable pump with stainless steel housing.

FIX-BASE

Stainless steel disc with a diameter of 210 mm. Hydraulic lockable pump with stainless steel housing.

BELLUNA

WASH & RELAX

The sleek Belluna Wash offers great comfort and convenience. The washing unit is available without a leg section or with an electrically adjustable leg section, whereby controls have been neatly incorporated into the side of the seat. The separate Belluna footrest could be the ideal solution if electricity is not necessary and a relaxed position is the main priority.

Belluna Relax combines relaxation with luxury. The Belluna Relax looks beautiful and immediately puts your customers in a relaxed frame of mind.

The following applies to the Belluna Wash and the Belluna Relax: The powder-coated frame and side panels are available in satin gloss white, silver or metallic black. The colour of the upholstery can be selected from the 'Welonda Fabrics' collection. The deep and adjustable black or white ceramic wash basin is supplied with a neck rubber, removable siphon, mixer tap and 'anti-drop' hand shower as standard. Protective covers are available so you can keep your back support and leg section in good condition for as long as possible. If your pipes are above ground, the Belluna wash units can also be fitted with a bottom or side connection.
