

VIDA

BY **welonda**

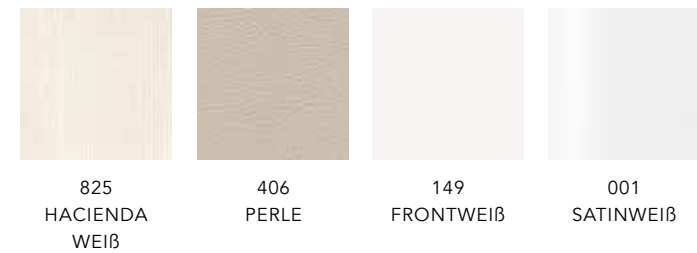

Be inspired by the VIDA LINE!

Strong lines and elegant rounded contours, VIDA furniture is suitable for all interiors. Different materials and single-shade tints have been used to create a soft, romantic, elegant, chic, powerful or modern character. One thing they all have in common is overall harmony of design. Naturally, you can add your own ideas and flair to make it more personal.

Please feel free to contact us to discuss the many possibilities.

VIDA LIFT

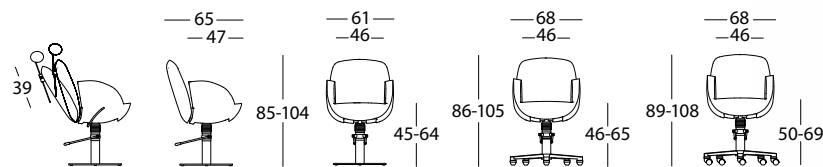

The Vida Lift is a comfortable and elegantly designed wash unit with a deep ceramic wash basin which, thanks to its patented telescope system, can easily and smoothly be adjusted in height. The standard white or black wash basin is equipped with a single-lever mixer tap, 'anti-drop' hand shower, removable siphon with hair trap and neck rubber. The chair with reclining backrest, and the optional footrest, is available in various colours from the Welonda Fabrics collection. The epoxy-metal frame is available in Satinweiß, Silber or Basalt Grey and offers a floor connection and also a side connection in case of pipes above the ground.

VIDA CHAIR

The Vida Chair comes with fixed or adjustable backrest, and is available in colours from the Welonda Fabrics collection. Available with various bases (always together with a lockable hydraulic pump).

Optionally, the styling chair with adjustable back support can also be supplied with a height-adjustable headrest. A protective back cover is available.

X-BASE
Aluminium star base on five sliders. Hydraulic lockable pump with chrome plated housing.

X-BASE BLACK
Aluminium star base with black powder coating on five sliders. Hydraulic lockable pump with black housing.

DISC-BASE
Stainless steel disc with a diameter of 480 mm. Hydraulic lockable pump with stainless steel housing.

FIX-BASE
Stainless steel disc with a diameter of 210 mm. Hydraulic lockable pump with stainless steel housing.

X-BASE
Aluminium star base on five wheels and a central brake. Hydraulic lockable pump with chrome plated housing.

X-BASE BLACK
Aluminium star base with black powder coating on five wheels and central brake. Hydraulic lockable pump with black housing.

DISC-BASE
Stainless steel disc, 450 mm square. Hydraulic lockable pump with stainless steel housing.

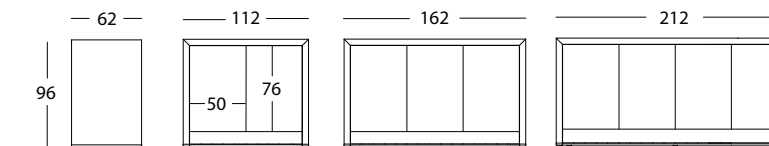

PROTECTIVE COVER
Use a protective cover to keep the colour of your upholstery vibrant!

VIDA MEET

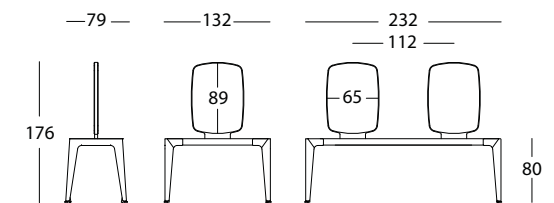

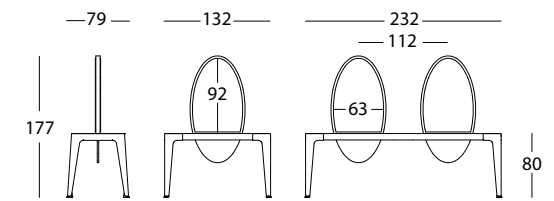

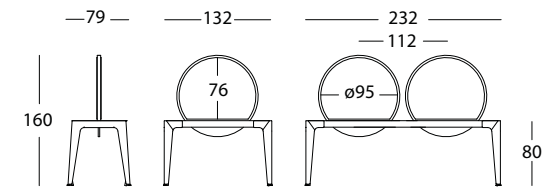

The Vida Meet reception desk is available with either two, three or four cabinets. You can choose from the colours Frontweiß, Platingrau and Schiefergrau. The colour of the coated wooden front panel is identical to the colour of the cabinets. The cabinets are available with a Push-to-Open system or with a handle of your choice from the Welonda Handles collection. The robust corpus of the Vida Meet is available in all colours from the Welonda Laminates collection. An optional ring insert for cables is also available.

VIDA TAVOLO FREE

The Vida Tavolo Free is a free-standing styling unit which is available with two or four styling places. The Vida Tavolo Free allows you to choose from three mirror shapes: round, oval or rectangular. The colour of the mirror edge is identical to the colour of the metal design base, which is available in Satinweiß, Silber or Basalt Grey.

The inlaid tabletop on the Vida Tavolo Free is available in all colours from the Welonda Laminates collection. Optionally, the Vida Tavolo Free can also be fitted with a double power socket for each styling place, as well as a matching hair dryer holder. The Vida Tavolo Free features two opposite-facing channels that conceal the power cable as it runs to the ground. You can put the finishing touch to your styling area with a stainless steel footrest from the Welonda collection.

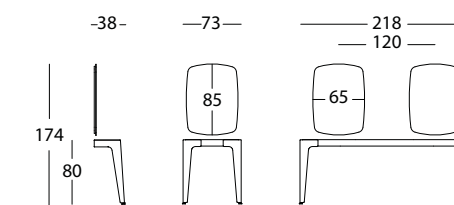

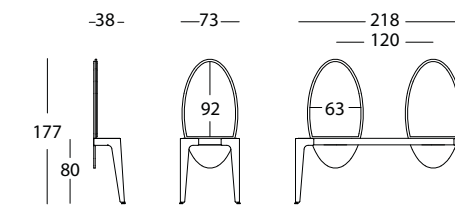

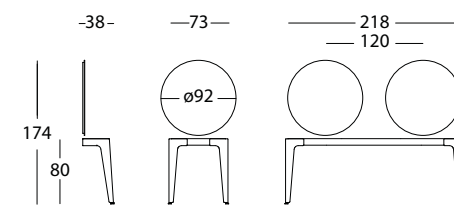

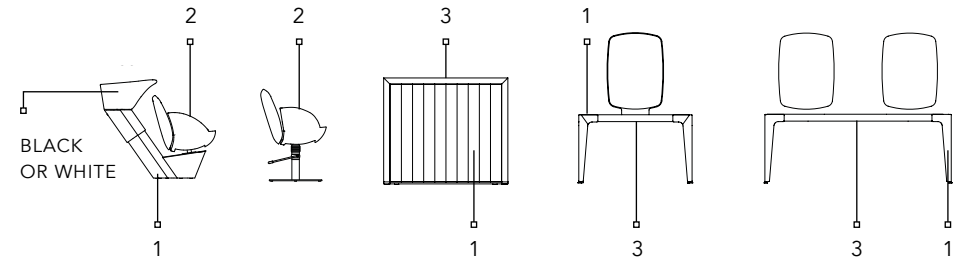

VIDA TAVOLO WALL

The Vida Tavolo Wall Styling unit is available in single and double versions. You can choose from three mirror shapes: round, oval or rectangular. The colour of the mirror edge is identical to the colour of the metal design base, which is available in Satinweiß, Silber or Basalt Grey.

Optionally, the Vida Tavolo Wall can be fitted with LED lighting, a double power socket per styling place and/or a matching hair dryer holder. Any of the Welonda Laminates can be selected for the inlaid top of the Vida Tavolo Wall. You can put the finishing touch to your styling area with one of the stainless steel footrests.
